## CHÂTEAU MOUTON ROTHSCHILD

Sine 1853, The Rothschild family has been motivated by constant ambition - to make the world's finest wines - at its staple estate - Château Mouton Rothschild. The property, a First Growth located in Pauillac, Bordeaux, is regarded as some of the world's greatest.

No producer captures the imagination or attention of wine collectors more than Château Mouton Rothschild with their annual artist series of labels. Baron Philippe de Rothschild conceived the original idea of crowning the Mouton label with an original work created by an important contemporary artist.

By 1946, this became a permanent and significant aspect of the château's image and this tradition has continued with labels created by some of the world's leading artists which include Chagall, Dali, Picasso, Miro, Warhol, and more recently, Xu Lei, Anish Kapoor and Jeff Koons.

We hope you enjoy our selection of Château Mouton Rothschild wines while appreciating the art of their iconic label.
